INTRODUCING The Kaikōura Art Trail

Kaikōura Art Trail is an online directory which has been created to give local artists a platform to promote their work, share their contact details and celebrate their talents.

The vision is to encourage visitors to discover the Artists and Creatives located throughout the Kaikōura region, and to celebrate their skills & creativity.

The mission is to support our local artists by providing a space to promote themselves, or their business, and create awareness and inspiration.

The Kaikōura Art Trail is a work in progress, and with your support, has the potential to be a local success story.
